Section Five – Coordination and Authorization

Coordination for fundraising on JBSA depends on the type of event proposed. The facility manager of the location where the event is to be held must coordinate to assure knowledge of the event. You may be required to coordinate with the Army and Air Force Exchange Service (AAFES) as POs are prohibited from competing with AAFES. Public Health/Environmental Health must coordinate on all events involving food. Food handler's certification is required for items not pre-packaged; certification is a separate process. JBSA PO Coordinator (502 FSS/FSRR) will coordinate with 502 FSG/JA and 502 FSS Director for final approval (as delegated by 502 ABW/CC).
