POLICIES & PROCEDURES

While our professional catering staff will be ready to assist you in planning your special event, here is some information that will help you gauge the beverage and food quantities appropriate to meet the needs of your function.

GETTING STARTED

Please note that only club members are eligible to book an event. In order to book your event, we will need some information which you can provide via e-mail, telephone or in person:

- Date & Time of Event
- Type of Event
- Club Member/Sponsor's Name
- Rank/Grade
- Address
- E-mail Address
- Home Telephone Number
- Work Telephone Number
- Name of Group or Organization Hosting Event
- Approximate Number of Attendees
- Serving Time (i.e., Cocktails, Dinner, Cake)

Please make preliminary arrangements to set the date, time and location of your event as early as possible. We currently allow four hours per function. If additional time is needed, a fee will be assessed for the added hours. Final menu arrangements should be made in person and the contract signed and finalized within three business days.

RESERVATION POLICY

The catering office must have a signed contract on file in order to hold the room. Our catering staff can e-mail or mail a contract to you. Menu selections can be made at a later date. If a reservation is not confirmed with a Club membership within 48 hours, it will be cancelled. To secure the room, the room fee must be put down at the signing of the contract.

CANCELLATIONS

Temporary holds on an event room will expire if a signed contract is not received within the hold time specified. If a contract is signed and the event is cancelled, rescheduled, or not held for any reason, you will be charged according to the following rules:

Cancellation or Rescheduling

A \$100 processing fee will incur when an event is cancelled or rescheduled 30 days or less after the initial contract is signed. There will be NO REFUND OF THE ROOM USE FEE for cancellations or rescheduling of an event more than 30 days after the contract booking date. This amount is specified on the contract under FOOD/SERVICE ITEMS.

There will be NO REFUND OF PRE-PAID ROOM USE FEE for cancellation at any time, for any person or organization for events scheduled in December. There will be no NO REFUND OF ANY PAYMENTS MADE for cancellation or rescheduling of an event less than 90 days before the event scheduled date.

It is the member's responsibility to inform the catering office in writing of a cancellation or reschedule (i.e. letter, fax, or e-mail). Voice notification of any kind is not acceptable. It must be in writing. The date and time the information is received by the catering office is the effective date and time. Information provided must include the following:

- Contract Number
- Date of Function
- Sponsor Signature

CONTRACTS & GUARANTEES

Contracts are required to be done 30 days prior and no more than 6 months prior to the event. When developing the contract, the amount of guests are estimated. The guaranteed amount is required 72 hours prior (3 days). The number of meals ordered 72 hours prior will be the exact amount prepared and the minimum amount billed. If additional meals are required over the final number stipulated, either Club may have to substitute depending on availability, but they will bill at the higher rate of either the contracted party meal or the substituted meal.

Fifteen business days before the function, we require the contracting member to call us and give us a revised number of expected attendees. That

is the number that will allow us to order the product, schedule the staff and finalize the room assignment. We realize that many of our functions are scheduled far in advance and the contracting members may not have an accurate number of attendees. Please be sure to advise us of your final count of guests to be served NLT three business days before the event. Final payment is also due at that time. If a final count is not given in three business days before the function, we will prepare for the original estimated number and bill for that amount. Final billing will be at 100% of the final figure supplied or the actual number of meals provided, whichever is greater.

NOTE: Contract is not finalized unless the Gateway Club Manager approves the terms of the contract.

SERVICE CHARGE

The Gateway Complex adds a 20% service charge for each meal served in the Club. There will be no service charge for bulk pickup orders, those where the meals are not separated into individual servings or meals that don't require the Club to provide returnable silver, glass, or flatware. For those pickup orders, which are individually portioned, a 20 percent service charge will apply. We will apply a 25 percent service charge and a delivery charge for picnics or similar food items catered outside the facility, prepared and dropped off bulk items to the customer, without an attendant staying at the location. A 45 percent service charge fee will be assessed for all Sunday and holiday functions. All Saturday functions must be at least \$3,000 in food and beverage for a 4 hour event or less. The \$3,000 does not include any type of fee or service charge. All catering functions held on Sunday must total \$3,000 in food and beverage, not including the service charge fee. The Enlisted Dining Room is "as is" for events. Furniture removal starts at \$200. Delivery fees start at \$200.

PAYMENTS

Cash, Visa, MasterCard or American Express are accepted as payment. Club members will receive a 10% discount on food purchases for their event. Fifty % of the contracted amount is due during the menu selection appointment. The remaining balance is due three business days before the event's scheduled date.

PRO-RATA FORMS

We can provide pro-rata forms which you may use to pro-rate and charge individual club member accounts. Whether paying by cash or credit, member must show proof of club membership and be a member in good standing to receive a Members' First discount of \$2 per meal. The member will be responsible for all declined charges. If the member decides to make his/her own pro-rata forms, please ensure that the Privacy Act Statement, member signature block, and the Club member signature block are included on the forms. Submit pro-rata forms NLT 72 hours before the function. Additionally, ensure that event attendees know the actual cost of meals and services being provided by the Club. In addition, they should be aware of any cost above that amount required to cover non-club services. The Club will not refund any over-collected amounts. Processing 20+ credit cards to be charged and processed a \$50 administration fee will be assessed to contract.

GUEST BASE ACCESS

There are a few things you must do prior to your event in order for your non-DoD ID card guests to be granted base access without delay or inconvenience. Recent Headquarters Air Force Directives have required increased security measures for accessing military installations. These directives were implemented as an active step to ensure the safety and security of military installations and their communities across the country. The following items meet the intent of the security measures and will ultimately ensure your event is secure: As an authorized DoD ID card holder, you must be registered in the Defense Biometrics Identification System (DBIDS) in order to sponsor non-DoD guests on base. If you are not registered, you must register your ID Card. Once completed, you may sponsor your guests on base. You, as the sponsor will need to provide

your name, rank, organization, the time of your event, location of the event and any contact information on a Entry Authority List (EAL) Request. You will attach your guest list to the request and submit to the Visitors Control Center (VCC) no later than 14 days prior to the event containing the following information:

- Name (Last, First, MI): Name must be as shown on driver's license/ID card of any guest 18 years of age and older. It is not necessary to include Military or DoD ID cardholders on this list
- Date of birth
- Driver's license number
- Driver's license state of issue
- If a person does not submit the driver's license information, then they must come to the Visitors Registration Center during normal hours of operation or to the front gate after hours in person prior to receiving base access. This may be done on the day of the event, but they will need to allow for additional time for the vetting process. If someone does not have a driver's license, then they will need to provide their social security number at the gate the day of event.
- Names must be in alphabetical order.
- List must be typed - no hand written lists will be accepted.
- It is the responsibility of the host/ hostess to ensure the guest list is submitted to the gate in a timely manner. The Gateway Club will not assume responsibility for submitting the guest list for your event.
- Guest list must be turned in to the Visitors Control Center no later than 14 days prior to the event.
- You will be notified of any guests not allowed to enter the base due to information found during the vetting process.

Note: Specific details on information regarding denied base access to a guest will not be disclosed to anyone except the party concerned and law enforcement authorities.

All guest vehicles must enter the base through the main gate and must present a valid ID (e.g. Driver's License) to the gate guard. Guests entering

during the hours of 6 p.m. to 6 a.m. have a 100 % identification check. Passengers may present identification in the form of a state-issued driver's licenses, state-issued identification card, a passport or student ID. Ensure that your guests know these rules when driving on base:

- Have registration, current insurance documents and driver's license in possession
- All vehicles entering JBSA-Lackland AFB must be current with state laws, i.e., current registration and inspection stickers
- Speed limit on base is 30 mph unless otherwise posted
- No cell phone use while driving

Again, the Entry Authority List (EAL) Request and your attached guest list must be submitted to the Visitors Control Center (VCC) no later than 14 days prior to the event. Please call with any questions. The person sponsoring the event is being held responsible for guests conduct and is required to sign a release that states: "I understand that only authorized personnel may attend and that I am responsible for their conduct."

PROPERTY, LIABILITY & DAMAGES

Neither the Clubs, nor the Air Force is liable for any loss or damage to merchandise, equipment, or articles left in any facility prior to, during or following any event. The host/sponsor will be held responsible for any losses or damage to the building, equipment, house decorations or fixtures belonging to the Gateway Club caused by the host/sponsor or guests. Damages will be billed to the host/sponsor at market replacement cost plus labor.

Candles

No candles are allowed - only LED are approved by the Fire Marshal

INFORMATION SUBJECT TO CHANGE

All menu prices and items are subject to change with respect to item availability or market conditions.

Note: Retirements and promotions are not considered official events and are subject to room fees.

OUR SERVICES

We would like to make the process of planning your event as easy as possible. In order to facilitate that, we offer a number of services for your convenience. If you don't see something addressed here, please do not hesitate to ask one of our catering professionals for assistance.

CATERING CONTRACT

The catering contract terms must be in writing. Oral terms will not be accepted. Please review your contract carefully.

FOOD AND BEVERAGE

You may bring food items such as wedding cakes, military ceremonial cakes and special event pastries into Club facilities. Should you have any other requirements, please ask our staff. Outside alcohol is not permitted unless approved by the Club manager. **Additionally, for the safety of our members, all food and beverages are either consumed or disposed of in the Club.**

MULTIPLE ENTREES

A color code system is used for luncheons and dinners when multiple entrees are ordered. This expedites service and ensures each guest receives what they ordered. We will work with you by providing suggestions for a quantity of entrée offerings and a color code for each entrée. The use of colored name tags, place cards, or tickets helps the servers distinguish what entrée to serve each guest. Members are allowed to select up to two entrees, not including vegetarian plates.

If a member requests three entrees to be served, there will be a \$2 split menu fee assessed for each meal served; four entrees, \$3 per meal, five entrees, \$4 per meal. Nevertheless, for a nominal extra charge, we recommend combination plates to ease the planning process and expedite service.

SERVING TIME

We pride ourselves in meeting the serving time noted on your contract. For seated functions, our staff will invite your guests to be seated 5 to 10 minutes prior to actual serving time. If, for any reason, you need to delay the serving time, please advise the catering staff as soon as possible to ensure the quality, taste and eye appeal of your meal. A delay of 30 minutes or more will incur a \$75 fee per hour delayed. Meal serving time is one hour.

After Hours Meal Service

Meal service time is one hour. Meal service outside normal operating club hours incurs an additional fee. For meal service after 7 p.m., please add a \$100 fee per hour. The catering staff will work with you to identify those charges in advance and, if applicable, will clearly indicate the charges on your contract.

MEETINGS & SEMINARS

The Club specializes in social events for members and guests that contract for food and beverage services. Members and organizations wishing to use rooms for private meetings or seminars should contact the catering office for details concerning available times and any applicable charges.

AUDIO VISUAL SUPPORT

Use of microphones, podiums, and limited audiovisual equipment items for your event can be arranged through the catering office. Identify your needs well in advance so the items can be reserved for you.

VENDOR DELIVERIES

Outside vendor deliveries must be coordinated with the catering office in advance with regard to granting base access.

Ensure that any delivery packages such as display or conference support materials sent to the Club are clearly marked with:

- "Attention Catering Department"
- Name of the function
- Host or sponsor name
- Date

Please notify the catering office of any special storage needs for rented or shipped items. Storage fees start at \$50.00.

TELEPHONE

Telephones

The phones in the office are for local toll-free calls. Please notify the catering manager if DSN access lines are required.

Duplication

The catering department does not

have internal resources for high volume duplication services. However, small quantity duplication service is available in the Club's office at 25¢ each for black and white copies and 50¢ for color.

Table Skirting & Linen

Table skirts and linen are available in a variety of colors to coordinate with your event's motif. Orders for specialty skirting and linen can be arranged through the catering manager for an additional fee. Once these items have been ordered, changes are only allowed NLT two weeks before your event, and will incur a fee of \$7 per table cloth and 75¢ per napkin for house linen. Specialty linen will be billed at the rental fee rate.

Table Numbers

Arrangements can be made to have numbers placed on tables to correspond with seating assignments.

Decorations

All decorations other than those provided by the clubs are the responsibility of the host/sponsor. To preserve the beauty of the clubs for all members and their guests we request no nailing without approval of club management. The host/sponsor is financially responsible for any damages to the facility resulting from misuse of decorations. With the exception of place cards and some individual table decorations, all decorations must be fire resistant and meet the codes of the base fire department. Our catering staff will assist you in coordinating your decorations in accordance with these codes. Please coordinate the time you wish to decorate with the catering staff to ensure no conflict with other functions exists. If you wish to have our staff set out your decorations, please see a catering representative for rates.

Flags

An Air Force and American flag on stands can be used for your function at no charge when available.

Reserved Parking Signs

The Clubs do not "own" the street and/or curb side parking. We have no authority to force members who are in either Club to move their vehicles. If you would like for your function to have reserved parking for DV guests, the host must obtain signs and place them in the desired spots, excluding existing designated commanders' parking spaces. They should be placed not more than two hours prior to the start of the function. If the Clubs have any reserved signs, they will be made available on a first come, first served basis. The host should be prepared to obtain signs to meet their needs from alternate sources. Generally, in an effort to be fair to fellow club members, reserved parking is limited to those guests at the head table and visiting dignitaries.

Non-Military Events

Restrictions exist for the use of the Gateway Club by civic and civilian organizations. Should your organization fall into one of these categories and you would like to use either club, please provide the Club manager the information listed below. Keep in mind, the event must be sponsored by a Club member.

- Name of organization
- Type of organization, i.e., civic, civilian, nonprofit, etc.
- Purpose of organization
- Type of party you wish to hold and approximate attendance
