Congratulations on Your Assignment to Joint Base San Antonio, Texas!

The SLPM (School Liaison Program Manager) teams would like to welcome you to Joint Base San Antonio (JBSA), located in the heart of Bexar County, Texas, and the vibrant city of San Antonio. JBSA offers a unique and exciting opportunity to live and serve in the seventh-largest city in the United States. With three primary locations—Fort Sam Houston, Lackland, and Randolph—alongside eight additional operating areas spanning over 67 miles, JBSA stands as a hub of military excellence and activity.

We are committed to outreach, advocacy, and partnership initiatives that generate real-time solutions for military-connected students from pre-kindergarten through grade 12 as they navigate global educational challenges and transitions.

If relocating and navigating new schools has you feeling overwhelmed, your installation School Liaison is here to be your advocate and guide. Whether you need help finding the right special education resources, understanding local homeschool policies, or simply supporting your child's emotional needs during a deployment, we can connect you with community solutions you need. Think of us as dedicated partners in ensuring your student thrives from their first day of Pre-K all the way to their college or career planning.
