Expanded Child Care Programs

Child Care That Fits Your Needs

- Subsidy Programs
- Extended Duty Care
- Specialty Care
- Military Spouse Care
- Home Community Care

Subsidy Programs

Offering subsidized support to parents for regular full or part-time child care arrangements.

Subsidy Program

Child care to support full-time and part-time work schedules. Families pay the same weekly fee charged in a DAF Child Development Center or School Age Program and the remaining cost is subsidized.

Overseas OCONUS Community Subsidy Program

Child care support for OCONUS families is available at approved locations.

Extended Duty Care

Extended Duty Care
Child care support for parents whose work schedule ***occasionally*** extends beyond normal operating hours of their child care facility/home.

24/7 Care
Child care support for parents whose work schedule ***regularly*** extends beyond normal operating hours of their child care facility/home.

Specialty Care

Emergency Medical Care
Child care support for families who are experiencing an "emergency" medical issue with an immediate household member.

Contingency/Emergency Care
Child care support for members affected by a real world contingency or emergency operation.

Child Care for Fallen Warriors
Child care support for immediate family members of a fallen military member for dignified transfers and military appointments.

Wounded Warrior Care
Child care support for families of combat-related wounded warriors, active duty member with a combat-wounded warrior status who have short-term child care needs for medical or military appointments.

Transition Assistance Program
Child care support for families in the process of transitioning from the military.

Military Spouse Care

Military Spouse Appointment Care
Child care support for spouses to attend approved appointments related to key aspects of military life when the sponsor is assigned to work.

Deployment and Remote Assignment Child Care
Child care support when a sponsor is deployed to a contingency operation (30 days+) or on a remote assignment.

FCC Provider Orientation & Annual Requirements Child Care
Child care to support FCC program applicants and Certified Providers during orientation and annual certification requirements training and processing.

Home Community Care Guard and Reserve

Home Community Care
Child care support for members of the DAF inactive Guard and Reserve during their regularly scheduled or properly re-scheduled inactive duty training (IDT) period.
