

JBSA GOLF 2026 RATE

EFFECTIVE MARCH 16, 2026

JBSA Golf Customers,

Thank you for being part of the JBSA Golf community and for your continued support of our four courses. Your loyalty allows us to provide quality recreational opportunities for our military members, families and authorized patrons.

To continue delivering the playing conditions and experience you expect, adjustments to daily greens and cart fees will take effect March 16, 2026. While we have worked diligently to control expenses, rising supply costs, equipment maintenance, turf sustainment and facility operational requirements require us to make thoughtful updates to ensure long-term program sustainability.

In making this decision, we conducted market research of comparable golf courses in the surrounding area to ensure our rates remain competitive and continue to provide strong value for the quality and amenities offered at JBSA Golf.

YOUR FEES AT WORK

Every round played directly supports the condition and improvement of your courses. Revenue from daily play funds:

- Professional turf management and seasonal conditioning
- Drainage improvements for better year-round playability
- Course infrastructure repairs and enhancements
- Driving range upgrades and facility maintenance

These investments protect course quality and preserve the playability you value.

CONTINUOUS REINVESTMENT

Revenue also supports the replacement and maintenance of golf carts, specialized maintenance equipment and clubhouse improvements. By reinvesting back into the program, we enhance pace of play, course conditions, comfort and overall customer service.

ON THE HORIZON

JBSA Golf is actively prioritizing:

- Irrigation system upgrades to strengthen turf health
- Playing surface improvements for smoother, more consistent conditions
- Infrastructure repairs that extend course longevity
- Clubhouse enhancements to improve your overall experience

OUR COMMITMENT TO YOU

We remain committed to providing an affordable, high-quality golf experience while responsibly managing resources for the future. Our goal is simple: to ensure JBSA Golf continues to deliver exceptional value, enjoyable conditions and a program our military community can be proud of.

Thank you for your continued support and we look forward to seeing you on the course.
